Thermo pants

BS403

MADE IN: China

Thermal pants designed to provide comfort. Soft, stretchable fabric with embossed patterns and a special reinforced weave on the legs, knees, and hips. Waistband and leg cuffs made of the same fabric as the top. Seamless construction to minimize the risk of irritation. Key features: breathable and body-temperature-regulating fabric, undetectable by metal detectors. Removable label.

COMPOSITION 67% nylon, 23% polipropilene, 10% elastane
